Re: Williams, James v. SCDC  
Appellate Case No. 2011-204333

Dear Counsel:

We have received the proof of service you provided for your appellant's initial brief and designation of matter and your motion for appointment of counsel, dated April 20, 2012. However, this document is not adequate since it does not show that these documents were served on counsel for the respondent as requested in our letter of April 17, 2012. The motion for appointment will not be considered by the court without proof of service on opposing counsel.

You are reminded that the time limits for perfecting this appeal are not held in abeyance.

Very truly yours,

*V. Claire Allen, Deputy*  
CLERK
