RE: Samuel T. Brick, Appellant, v. Richland County Planning Commission and Fairways Development, LLC, Intervenor, Respondents. Appellate Case No. 2014-000583

Dear Ms. Kitchings:

This letter is to request an extension of seven days from his receipt of the Court's action on the below-mentioned Motion to file the Record on Appeal with the respondents in the above-referenced appeal.

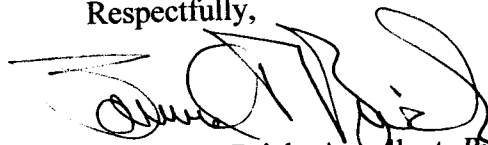

On October 17, 2014, Appellant filed a Motion for Relief to the Requirement for the Record on Appeal for 15 Copies and for Relief from Including All of Respondent Richland County Planning Commission's Designated Material in the Record on Appeal. On October 28, 2014, Respondent Richland County Planning Commission filed a Return on the Motion that Appellant received on October 30, 2014. Appellant filed a Reply to the untimely Return on October 31, 2014. Intervenor-Respondent Fairways Development, LLC did not file a Reply. The Motion affects the composition of the Record on Appeal.

Appellant has prepared the Record on Appeal but needs time after receiving the Court's action on his Motion to incorporate some of Respondent's requested material should the Court not grant the Motion. In any event, he will need time to number the pages and finalize an Index.

Without an extension, Appellant is required to file the Record on Appeal with the Respondents next Monday, November 17, 2014. Please advise if a formal motion is required for such relief.

Thank you for your assistance in this matter.

Respectfully,

Samuel T. Brick, Appellant, *Pro se*
