

The South Carolina Court of Appeals

The State, Respondent,

v.

Kathy Revan, Appellant.

Appellate Case No. 2014-000161

ORDER

Appellant has filed a motion requesting that this "case be remanded to the Court Reporter" for transcription of State's Exhibits 9, 10, and 11, and to determine whether the trial judge heard Exhibits 9 and 10 during the immunity hearing. Respondent consents to the request.

Appellant's motion is granted. We grant Appellant a sixty day extension to consult with the court reporter regarding the transcription of the exhibits and to clarify whether the transcript of the immunity hearing should be corrected.
