Re: Claude McAlhany v. Kenneth A. Carter, Sr., Erick Cogburn, et al.  
Case No. 2011-CP-05-65  
Appellate Case No. 2013-000578

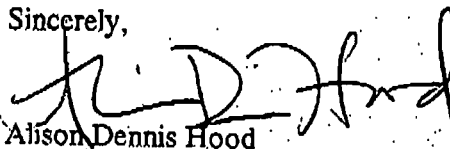

Dear Ms. Allen:

Thank you for your letter of November 13, 2014. Please be advised that none of the dates set forth in your November 13, 2014, letter regarding the possible scheduling of the arguments in this case are suitable. William Barnes, who is an attorney in this case, Richard Ness, and I, as well as other attorneys, have a date certain trial for the week of February 9, 2015, that is predicted to last five to eight days. Preparation time will be extensive the week prior to the trial week of February 9, 2015.

I have spoken with William Barnes, and we both believe that the arguments in this case need to be delayed until sometime in March. Therefore, please send additional dates for March for the oral arguments in this case because of the trial schedule, which involves three of the attorneys listed as attorneys' of record in this matter.

Thank you for your attention to this matter.

Sincerely,

Alison Dennis Hood
