**MOTION FOR EXTENSION**

---

The Appellant hereby requests an extension of the deadline for serving and filing its Initial Appellant's Brief and Designation of Matter for the Record on Appeal. The current deadline is December 10, 2014, and the Appellant is requesting an extension until January 12, 2015. The grounds for this request are the following:

1. The parties have been engaged in settlement discussions in an attempt to resolve this matter. The requested extension would allow the parties additional time to negotiate. If the negotiations are unsuccessful, the Appellant would then have time to prepare its initial brief and designation. This extra time is especially needed in light of the shortened holiday week occurring between now and the current deadline.

2. The undersigned has consulted with the attorneys for the Respondent, and they

have consented to the request. They have also authorized the undersigned to indicate their consent to the Court in this motion.

For these reasons, the Appellant respectfully requests that the Court extend the deadline for filing the Initial Appellant's Brief and Designation of Matter until January 12, 2014. The Appellant further requests that the current deadline be held in abeyance while this motion is pending.

Respectfully submitted,

---
