re: Lydia Miller and Doris knight v. Willie Fields, Paula White  
and the Refurb Center, Inc.  
2012-CP-32-1472

Dear Ms. Allen:

This letter is an attempt to clarify the time-line details as it pertains to our emails to each other in reference Mr. John Bradley's letter requesting the above referenced transcript.

I received a request from Mr. Bradley dated August 27, 2014, stating he requested this transcript on May 28, 2014. I responded on September 1, 2014, stating I did not have his May 28, 2014 request, however, I was placing this request in line for transcription on that date, September 1, 2014.

My 60 days ran on November 1, 2014.

On October 27 and October 28, 2014, I was treated at Columbia Eye Clinic for uveitis and received a shot of medication in my eye. As I was having vision issues, I requested an extension to this transcript on November 2, 2014.

On November 18, 2014, I received a packet of letters from Mr. Bradley and an email from you in reference to this transcript not being delivered timely.

I believed this transcript was in first extension, but upon receiving this November 18, 2014 letter from Mr. Bradley and an email from you on November 19, 2014, I proofed the transcript and sent an email copy to his office email address. I also printed the transcript and hand delivered it to his mail slot in the front door of his office on the evening of November 19, 2014.

Thank you for your help in this matter.

Sincerely,

A handwritten signature in cursive script, appearing to read "Hilda M. Jordan".
