Dear Mr. Shearouse

I know you are well aware of the fact that Pachak was kept on my case to sabotage it.

I tried to get these wicked heartless people off my case because of conflict of interest. Trial

kept them on. The one issue that he arguing is not even preserved to argue it properly and you

know it. You all wish that I die in jail it ain't going to happen trust. Black people have

for centuries suffered every form of injustice

by white folks imaginable. You know I am actually innocent and Barnett, Branch worked

① No concern to conflict. Is SC not the state

First to seced from union of course. Is this
not the State that executed the youngest black
child of course in the 1940s. Is this not the
State that the clown Joe Wilson greatly disrespected
The Pres Barack Obama by calling him a liar.

Maybe this all suits well with you in the scheme
of things. Understand this you all global domination
is over with sir. I mean you were only given
(6). I end this letter of rebuke and not as a
cry for help. Chief Justice Bently talking about
turning a blind eye. I have the case of the
millennium and this Packard asking for a full hearing
it's a joke to say the least. Read Ephesians 6:1
(10-20) emp on 11-13. Do you all Strategically
Place this Packard on Black people case to ensure
they get know justice. Please don't refer to the
wire tap case in Charleston that's not moving to me.
It just came down no indictment on that cat
in Ferguson MO.

Sincerely

Justice
