RE: Samuel T. Brick, Appellant v. Richland County Planning Commission and Fairways Development LLC, Intervenor, Respondents SC Court of Appeals Appeal Case No. 2014-000583

Gentlemen:

Delivered pursuant to Rule 210, SCACR, is a copy of the Record on Appeal for the Above mentioned appeal. All matters requested to be in the Record have been included with the exception of the attachment to the Notice of Appeal and Appeal requested by Richland County. Under Rule 210 (f) such disc attachments other than paper exhibits are retained in the trial court and delivered only upon receipt by the trial court of an order of the clerk of the appellate court. There are no other exhibits or attachments to the Notice of Appeal and Appeal.

The Record includes portions of the Appeal and Notice of Appeal and the transcript previously withheld as considered irrelevant to the appeal. The Court has not yet responded to the Motion regarding these issues and they have been included as numbered pages such as 175-1 etc. Should the Court of Appeals rule they are not necessary, they will be removed. Otherwise they will remain a part of the record numbered consecutively as in the delivered Record.

Sincerely,

Samuel T. Brick, Appellant
