Dear Sir,

I am in need of your assistance I would request that I am allowed to proceed pro-se on my petition for Writ of Certiorari, the reason being myself and my lawyer Katherine H. Hudgins are not agreeing with issue presented. Ms. Hudgins placed one issue inside of said petition. That issue asked the question was I entitled to immunity pursuant to the protection persons and property act. Not only is this question wrong this question is not preserved. The true question clearly on page six of my order of dismissal, it was counsel ineffective for failing to request a Pre-trial hearing pursuant to the protection of persons and property act. This question is preserved for appellant review. Myself and Ms. Hudgins discussed this issue several times. I fail to understand why she would present the issue as such. For this reason my request to this Honorable Court is to allow me to proceed pro-se and present not only the preserved issue on the failing to request a pre-trial hearing the act, S.C. Code §16-11-410, but also other preserved issues. I pray.
