RE: State v Tyrone Ellison
Appellate Case No. 2014-002337

RECEIVED

DEC 01 2014

SC Court of Appeals

Dear Madam Clerk:

On behalf of the Appellant, Tyrone Ellison, I am requesting a 30-day extension of time in which to order the trial transcript. I have sent Mr. Ellison an affidavit of indigency for him to fill out and return to me. I am still awaiting the return of that affidavit.

I was retained to represent him for trial; however, I believe he will qualify for the services of the SCCID to pursue his appeal. Therefore the 30 day extension of time is necessary in order for SCCID to receive his affidavit of indigency and make a determination of his eligibility.

Thank you

James Falk
