

C.J. Toal,

11.30.14

I request a guardian that isn't against capital punishment. My current guardian has ulterior motives since she is anti-capital punishment which is the reason why she is doing everything my attorneys are telling her to do. They have figured out how to cause me to meltdown. I don't appreciate being manipulated. I need a guardian that is neutral to capital punishment which would be good for my mental health and well being.
