Re: Your Cover Letter Dated July 16, 2014

Dear Mr. Ellis,

I am writing this letter because under reasonable diligence and promptness I'd like to be kept reasonably informed about the status of my case and replies to request for information. I don't want to sound as though I am complaining but the Court's order of July 8, 2014, clearly stated that "any further extension request must show the existence of extraordinary circumstances, state what actions are being taken to insure that no further extension will be required, and be signed by appropriate attorney."

As of the above mentioned date, I have not received a copy of any further request for extension filed with the parties.

Respectfully,  
Franklin E. Dennison
