Re: *Cephalon, Inc. v. Alan Wilson*
Appellate Case No. 2014-001465

Dear Mr. Shearouse:

On November 24, 2014 Appellant Cephalon Inc. served its initial brief in the above captioned matter. Later that evening, counsel for Appellant realized that during the final editing process we missed a correction to footnote 16 on page 29. The first sentence of that footnote should read, "It appears that only one appellate court in the Nation . . ." At present, the footnote omits the underlined word. On the morning of November 25, 2014, we notified Appellee South Carolina Attorney General of this oversight. Through correspondence, Appellee has consented to our request to correct the oversight in our final brief. It is our understanding that this letter will suffice to correct the record. If I am mistaken, please let me know at your earliest convenience.

Sincerely,

William W. Wilkins
