RE: The State v. Nicholas M. Blair
Appellate Case No. 2014-001003

Dear Ms. Kitchings:

On October 7, 2014, the court issued an order partially remanding this appeal and directing the Berkeley County Clerk of Court to refile the amended order of dismissal dated September 3, 2014 as expeditiously as possible. I had previously provided a copy of the amended order to the Court of Appeals on September 24, 2014, but the clerk of court had not transmitted a copy at that time. The purpose of the Court of Appeals order was to secure the order from Berkeley County so that the appeal could proceed.

I wrote the clerk of court on November 12, 2014 requesting that the amended order be filed. To date, the clerk of court has not filed the order with this court.

In the interest of efficiency, I would request that the Court of Appeals lift its October 7, 2014 order and resume jurisdiction over the appeal rather than wait on the Berkeley County Clerk to file an order of which all parties are already aware.

I appreciate your attention to my request.

Very truly yours,

Marcus K. Gore
Assistant General Counsel
