Re: State of South Carolina, Respondent v. Andrew T. Looper, Appellant
Case No.: 2011-CP-23-03563

Dear Ms. Gee,

Enclosed please find a Notice of Appeal in the above case. I will be joining Steve Sumner in the representation of Andrew T. Looper. The underlying case is a criminal charge in the magistrate's court which was dismissed. The State appealed and the circuit court reversed and remanded the case to the magistrate. We are appealing from the order of the circuit court reversing and remanding the case as well as the order denying post trial motions. As the underlying charge is criminal I have not included a filing fee. I have the next deadline as the letter requesting the transcript from the court reporter which will be due within ten days of today's date.

Please let me know if anything further is needed in regards to the Notice of Appeal.

Respectfully submitted,
