RE: [The State v. Ernest Maurice Allen 2014-000165](#)

Dear Ms. Kitchings:

The initial brief of the Appellant and designation of the above reference case are due to be served and filed on December 8, 2014. However, due to a heavy workload, I am requesting a sixty (60) day extension, until February 8, 2014, in which to serve and file the brief.

By copy of this email, I am informing Salley W. Elliot of this request.

Also, it is my understanding that a first request for extension of time in a criminal case may be made by email. If that is not the case, please let me know and I will submit a motion with service on opposing counsel. Please do not hesitate to contact me with any questions. Thank you for your assistance.
