RE Frank Wilson, Appellant v American LaFrance, Employer, and AIG
C/O Gallagher Bassett Services, Inc , Carrier, Respondents, Case No 2014-001996

Dear Director, South Carolina Court Administration

On September 27, 2014, the transcripts of the proceedings in this case was ordered. The Court Reporter (Ruth Mott) replied and stated that she would not begin to prepare the court transcripts that were order until full payment for both court transcripts were received. The total expenses related to the two (2) court transcripts that were ordered was \$196.80. The Appellant requested that the two (2) court transcripts that were ordered be prepared and agreed to pay the cost related to the two (2) court transcripts once they were completed and an enclosed invoice was received. This is per Rule 607, SCACR. Mrs. Mott stated that she needed full payment of \$196.80 for the two (2) court transcripts before preparing them. Due to financial hardship at the time, the Appellant once more requested that the two (2) court transcripts be prepared and agreed to pay the cost for the two (2) court transcripts that were ordered. Finally on October 27, 2014, I submitted to Mrs. Mott a money order for the amount of \$196.80 the cost related to the two (2) court transcripts that were ordered. As of this day, Appellant has not received the transcripts from the court reporter.

Sincerely,

Frank E Wilson
