Mr. Zelenka, Ms. Franklin-Best and Ms. Paavola,

I returned today from being assigned away. In my mail was the applicant's motion for stay.

As we previously discussed, I will conduct the hearing concerning the applicant's request to stay the present PCR on December 18. Since I have to be in Columbia for a 2:00 meeting on that same day, I am trying to schedule it in Columbia prior to my 2:00 appointment. I have contacted the administrative judge in Richland as to the availability of space and am awaiting hearing from him.

However, unless you hear back from me, I am setting the hearing for Spartanburg at 10:30 in courtroom West B. I hope it gets changed to Columbia since all of you are there. However, pending hearing from Richland County, let's set it for Spartanburg at 10:30.

In advance thank you for your attention and cooperation

Dear Judge Hayes,

Additionally, we are **not** asking that Mr. Woods be transported for the hearing. He does not really like to come out of his cell, and since this issue largely impacts scheduling concerns and not substantive factual development of any claims, his presence does not seem necessary to us.

Thank you,
Betsy Franklin-Best
