**Re: David L. Parker, #250125 vs. State of South Carolina
Case No.: 2012-CP-11-0611**

Dear Mr. Shearouse,

Enclosed please find Notice of Intent to Appeal in the above captioned case. I ask that you accept this filing even though it is beyond the statutory period for filing a notice of appeal. I have also enclosed the clocked copy where this notice was properly and timely filed with the Cherokee County Clerk of court and where copies of the same were served upon the Attorney General's office.

The failure to properly file a copy of this Notice of Intent to Appeal was due to error on my own part and my lack of familiarity with civil appellate procedure. My practice is predominantly in the area of Social Security litigation and appeal. I took the steps I thought appropriate to preserve my clients capacity to appeal the lower court's decision. Any failure to timely file this document is due to my own personal error.

Sincerely,

COBOURN & SALEEBY, L.L.P.
