Delores Nelson, Appellant, appeals from the findings of facts and conclusion of law and the Order of the Honorable Joseph M. Strickland, Master-in-Equity for Richland County on February 7, 2014. Appellant received written Notice of this Order on March 18, 2014, which was served on the sister of the Appellant at the subject property.

This appeal was declared moot by the Court of Appeals in order dated October 29, 2014 pending the lower court ruling on a pending Rule 59(E) Motion.

The lower court held a hearing on the 59(E) Motion on December 1, 2014. The lower court ruled against the defendant / appellant 59(E) Motion from the bench and promised a written order would follow.

The defendant / appellant, again, appeals the court order dated February 7, 2014 and the order denying the relief sought in the 59(E) Motion which was denied on December 1, 2014.

A large, complex handwritten signature in black ink, consisting of multiple overlapping loops and lines, positioned above the printed name and address.
