

December 3, 2014.

To whom this may concern my name is Tevin S. Hart and
On December 2, 2014 I received your request from my
Attorney Melisa W. Gay. First I would like to thank you for
Your Cooperation with my case and updating us when things
Change. For starters the arguments that my attorney submitted
are correct and exact, but there are some things that I ^{think} could
be argued such as: At the time I was young and did not have
any criminal record at all, it was my first time being locked up
for a crime. I feel as though Don Sorenson (Prosecutor) took
advantage of my cooperation with the state due to my lack
of knowledge ~~of~~ the law. He stated that with my testimony it
would help me out when it was time for my sentencing and that
I would be home before I became an old man so I did. Also
I wrote an apology letter and read it to the court asking the
Victim and family for forgiveness and that the court for some
remorse knowing the situation that I was in. To be honest
I feel as though I was tricked in order to help the state.
Other than those allegations and the arguments that my attorney
submitted everything seems correct, I would like to once
again say thank you for your assistance in this matter.

Sincerely

Tevin S. Hart
