

Dear, Mrs Kitching,

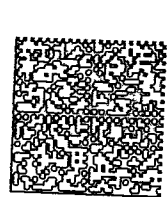

I'm Writing Concerning my case. I Was Convicted by a Jury on 10/10/2014 of Arm Robbery, Kidnapping and Resisting arrest with a deadly weapon. 1st offense also Poss. Weapon during violent crime if not also sentenced to life without Parole or death. The Jury found me guilty of all the offenses. They sentenced me to life without Parole. I had 10 days to file an appeal. Which they brought me here to Kirkland R-N-E Center. I did file my appeal to the Appellate Court there in the month of October, 2014. Before my dead line was up, to file the appeal. I hope yall received my paper work. I feel like my lawyer done a very sloppy job defending me. I ask the judge to remove him from my case before the trial, even started. He just denied me. When I requested my motion of discovery. I only recieved some of it, with less then a week before my trial began. They had picture's, and other evidence, that I never got a chance to view. I was also under mental health, plus seeing a therapist, before this crime took place. I was also taking psyc medication, and still is before the crime took place. Some of my meds where changed a week are two, before this crime was suppose to took place. I tried to get my lawyer to talk with the people at the mental health I was attending. So my doctor and witness could explain

SC COURT OF APPEALS

What, kind of mental health issue's, I had.
He wouldn't contact anyone from the Greenville
County Mental Health, I was going too!
The Judge that heard my case was the Honorable:
Steven Johns, the Solicitor was Alan Fastwell.
And the lawyer that represented me, was Symmes
Culbertson. He told me that I should appeal
the sentence, but he couldn't help me to do it.
Everything I'm saying is in my trial tran-
scrip. The only thing that's not talked about
that much is my mental state of mind.
I could use all the help I can get, to get back
in court. they also had video tape for the arresting
officers' cars, that wasn't turned in as well.
I know in my heart and mind, that I got
a unfair trial. I also feel like, because I didn't
have money to pay for a lawyer, that I got
a very raw deal. so I hope you will please
look into this matter, and send me someone
to help me.

Thank you and I pray that
you have a blessed Holiday Season's
