Re: Records of Appeal

Gertrude Shiver v. Palmetto Health Richland, et al. Appellate Case No.2013000887

Dear Ms. Kitchings,

Yesterday, I took the documents to Office Depot to be bind because they seemed to want to work with me. I had a hard time trying to find someone to agree to do the Records on Appeal. I ended it with four (4) volumes and I don't know what company that the attorneys usually use.

Since the amounts and copies were very large and far too much for them to handle, Office Depot was going to shipped the documents today to a place in Georgia to be comb and bind. As an estimation, the volumes with the court specified copies will not be ready until around Friday, December 12, 2014, and then they will have to be shipped back to Columbia. As soon as I received the documents and the Court is open, I will bring them in.

Yours truly,

Gertrude Shiver
