Arrest Warrant

I William T Watts II am appealing the competency hearing held on 1-22-13 at Lexington County Judicial Center, 205 East Main St, Lexington, SC, 29072 before Judge Newman. I was found not competent. I am appealing because of judicial error, judicial misconduct, and lawyer misconduct.

On Sept 25, 2012 I left a voicemail message for Elizabeth Fullwood stating that I wanted my discovery, a fast and speedy trial (including appeals within 30 days). I met with Fullwood on Sept 28, 2012 and informed her that I was being harassed by Lexington County Sheriff's Department and South Congaree Police Department and that the FBI and the SC State Police Department (SCSPD maybe named Department of Protective Services or South Carolina Bureau of investigation)

had investigated. I asked Fullwood to subpoena the investigation and make a cease and desist order (to stop the harassment), Fullwood stated that she could not subpoena an on going investigation and she would not do anything civil, referring to the cease and desist motion as a civil process. She stated she would ask the judge to have me mentally evaluated, I objected, I said that I had been evaluated in jail and that I am fine. I asked for a fast and speedy trial and Fullwood said she would not be able to prepare my case, I stated that this was unacceptable, she said that is what it is. On Oct 9, 2012 I filed a civil suit in Federal court against LCSD and SCPD a concurrent FBI investigation began on or around Oct. 11, 2012. My complaint of being harassed (by an X-Ray drone used by LCSD) was found competent by Federal magistrate judge Jacquelyn D. Austin and the FBI and resulted in an investigation and case #: 8:12-W-2909-TMC.

On Oct. 12, 2012 I sent a letter to Lexington County Court / General sessions, 205 E. Main St, Lexington, SC, 29072, asking to remove my ineffective attorney, Discovery (including X-RAYS, audio and video, tracking ject) a stop to any investigation into me and a Fast and speedy

trial, I NEVER RECEIVED A RESPONSE FROM LEXINGTON COUNTY COURT. ON DEC 20, 2012 I SENT A LETTER TO THE SC SUPREME COURT RESTATING MY MOTIONS IN THE LETTER I HAD SENT TO LCC AND INCLUDING A STOP TO THE USE OF X-RAYS, A REQUEST FOR THE INVESTIGATION BY THE FBI AND SCSPD, AND A STOP TO THE OVERCROWDING IN LEXINGTON COUNTY DETENTION CENTER (CASE # 2012-213650 FILED ON 1-4-13). ON JAN 14, 2013 I SENT A LETTER TO FEDERAL COURT REQUESTING THE JUDGE'S NOTES AND THE FBI INVESTIGATION FOR MY LAWSUIT CASE # 8-12-2909-TMC-JDA.

AT THE COMPETENCY HEARING I BEGAN TO STATE THAT I HAD BEEN X-RAYED 34,000 TIMES BY LCSD USING A X-RAY DRONE (REMOTE CONTROLLED PLANE), JUDGE NEWMAN INTERRUPTED ME USING A SARCASTIC TONE REPEATING "34,000 TIMES", THEN ASKED WHEN DID IT START? AND HOW MANY TIMES IS THAT A DAY? I ATTEMPTED TO EXPLAIN THAT THE FBI AND THE SOUTH CAROLINA BUREAU OF INVESTIGATION (OR THE SCSPD OR BUREAU OF PROTECTIVE SERVICES) HAD AND ARE CONTINUING TO INVESTIGATE BUT WAS INTERRUPTED WITH ANOTHER SARCASTIC REPEAT OF "SOUTH CAROLINA BUREAU OF INVESTIGATION". I THEN ATTEMPTED TO STATE THAT I SENT A LETTER ON OCT 12, 2012 AND JAN 1, 2013 (I SENT

another letter to the Clerk of Court, Lexington County
Judicial Center, 205 East Main St., Lexington, SC, 29022 to
insure that I had given Lexington County the opportunity to
correspond with me to Lexington County Judicial
Center and again I was interrupted with a sarcastic
rhetorical question of "what address did you send it to?"
Judge Newman then stated that he knew that I
had a lot to say but I had to stop so that a
witness could be called. I hadn't been allowed to
complete an entire explanation or thought due to the
constant interruptions of sarcastic and demeaning
questioning. I waited quietly to have a chance to
question the witness (Dr. Harismon) and to call my
own witness (the FBI). The letter I had sent
Federal Court had prompted the FBI to come to my
competency hearing, but I was never allowed to call
a witness. At the end of the hearing I requested the
the FBI investigation be subpoenaed and objected to
any decision being made with out the report, I
stated that he (Judge Newman) could subpoena the
FBI (meaning that they were waiting) but again
I was again interrupted with a demeaning
instruction to request the subpoena through my
lawyer. I gave my notice of intent to appeal.

and stopped talking. In private with my lawyer (Fullwood) I demanded an appeal and for her to contact the FBI, she said that she could not appeal until we had received the order and that she would contact the FBI. As of today 1-24-13 I have not received any response from Fullwood.

I believe my attorney is working with the solicitor to force me to confess to the crime that I have been accused of and to prevent me from reporting police corruption and involvement in organized crime. Dr. Cheri at LCDC has stated that if I did not control myself I could be forced to take medication. LCSD continues to use the drone which causes physical illnesses. I was X-RAYED during court (while talking to Judge Newman). I suspect that the SC Mental Health Department will also threaten me with forced medication. These actions are a physical threat and injure me, I have no choice but to do and say what is required by the doctors, lawyers, and police. Judge Newman has allowed this to happen most likely because of bias against people that look latino. I am afraid that I

will be committed to Just-Care until I confess or plead guilty. These activities are a constitutional violation of my right to a fair trial and my liberty to choose my defense.

Judge Newman erred by addressing my competency hearing before addressing my appellate case (2012-213650) and by not considering the FBI investigation. Judge Newman's misconduct includes insulting treatment and refusing to allow me a defense (I was not informed of the case prior to arriving in court).

Elizabeth C. Fullwoods misconducts are numerous, she has never followed my instructions.

I am requesting the decision of not competent be overturned, a stay (stop) to the order to commit me to Just Care, the FBI report, another attorney (the removal of my ineffect attorney), and my appellate case (2012-213650) addressed.

Request pertaining to Notice of Appeal

I requested that the jail make copies so I could send a copy to the solicitor and judge but the jail never made my copies. I will inform my lawyer to send a notice of appeal to the solicitor and judge but she is ineffective. I will send a notice to the solicitor and judge but it will not contain a copy of my appeal (I do not have enough paper to make hand written copies). If just a notice without a copy of the appeal is not enough please return a copy of my appeal and a court order to have the jail make copies.

Thank you,
