RE: Antonio Lazaro v. Burriss Electrical Inc.
Case Tracking No. 2011-192272

Dear Ms. Kitchings:

This will confirm my conversation with your office that I am requesting a 30 day extension to file the Initial Brief of the Respondent and Respondent's Designation of Matter to be Included in the Record on Appeal in the above-referenced matter, making my brief now due on August 6, 2012. I have checked with one of the Appellants' Counsel who stated that he had no objection. However, he did indicate that he wanted to check with other Appellant's Counsel to confirm that they had no objection but this being the 4th of July week, I have not heard back from him and am assuming that there is no objection to this request being granted. This request is being made in part due to my schedule and workload as a sole practitioner and in part due to the position of the case at this time.

By copy of this letter, I am notifying and confirming with Appellate Counsel my request for an extension for filing the Initial Brief of Respondent and Designation of Matter in this matter. Also, please find enclosed the \$25.00 filing fee required for making this request.

As always, I appreciate all the courtesies and kindnesses shown to me by the Court. If anything else is needed to have this request considered, please let me know at your convenience.

Sincerely yours,

Preston F. McDaniel
