

THE STATE OF SOUTH CAROLINA
In The Court of Appeals

APPEAL FROM CHARLESTON COUNTY
Court of General Sessions

Stephanie P. McDonald, Circuit Court Judge

Case No. 2014-002129

RECEIVED

DEC 12 2014

SC Court of Appeals

The State,

Appellant,

v.

Marvin Brown

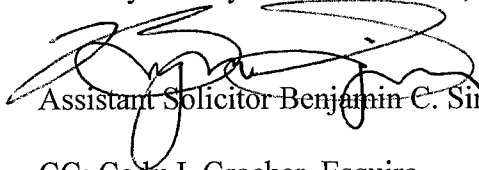

Respondent.

FIRST REQUEST FOR EXTENSION OF TIME

The State hereby requests that an extension of time be granted for the filing of the appellant's initial brief. The Ninth Circuit Solicitor's Office received the transcript of the hearing on August 7th, 2014, prior to receiving the written order that is being appealed. The Ninth Circuit Solicitor's Office received the final written order of the trial court on August 18th, 2014, and filed notice of appeal promptly.

Admittedly, the Assistant Solicitor appealing the ruling was unfamiliar with the exact process of working with the Attorney General's office in preparing appellate issues, State sought appeals being such a rare occurrence. As such, the Ninth Solicitor's Office has not yet forwarded transcripts in our possession to the assigned A.G. The State hereby requests an extension of time to work with the Attorney General's office in the preparation of this appeal. The Solicitor's Office is forwarding the transcripts of this case to the Attorney General's Office today, December 9th, 2014. We ask for a reasonable period of time to give the assigned Attorney General adequate time to review the transcripts and prepare a brief, if they choose to pursue the issue.

Thank you for your consideration,

Assistant Solicitor Benjamin C. Simpson
