Re. Carlton Cantrell vs. Aiken County et.al.  
Aiken County Common Pleas No. 2014-CP-02-00879  
Appellant Case No. 2014-001702

Dear Mrs. Kitchings

In response to your letter dated December 11th regarding the transcript. I sent the notice for the request for the official Transcript to the Court reporter and the Clerk of Court on September 30th. The Appeals Court found me to be deficient in ordering the transcript because I didn't notify the Court Administration of the request for the transcript and gave me 10 days to correct the deficiency which began on October 6th. I hand delivered a copy of the request that I had sent to the court reporter on October 9th. I asked the Court Administration how long should it take before I hear from the Court Reporter regarding the transcript and how much would it cost. The lady that I talked with said that the Court reporter had 60 days to contact me in regards to the transcript and that the Court reporter could request for more time if necessary and that I had to pay for the transcript before I would receive it.

I Received the letter that I am responding to on December 13th on a Saturday. I called the Court Administration on the 15th regarding the transcript and the lady that I talked with called the Court reported and she was in court at the time but she said that she never received my written request and that she could have the bill for the transcript by the end of this week and the Court administration said that it would be all right and that there should be no problem.

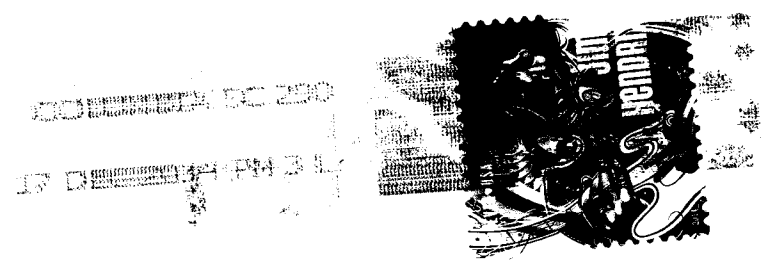

Sincerely

Carlton E. Cantrell Pro. SE.
