Motion For Extension

RECEIVED

SC Court of Appeals

To: The S.C. Court of Appeals

the Appellant gives the court and parties Notice that he gives this Motion For several Reasons. Appellant informed Attorney's and S.C. Court of Appeals

back in mid November 2014 For an Extension of time to File initial brief which is suppose to be heard on Dec 8th 2014. Appellant informed Attorney's + court but was never notified of given A response. Reason why Appellant wrote previous letter and submitting this motion is because he needed time to prepare His Documents to include with his Attorney's brief for litigation. Also Another Reason why Appellant transcript was Altered which he wrote in previous letter to have Court reporter supoena with Audio of Appellant trial of sept 30th - Nov 1st to reconstruct transcript properly. Being that Appellant transcript is Altered Changes its legal effect of Record, Also violates Appellants Due process, 14th Amendment, + equal Protection of laws, and laws of the land. Appellant would like to have this matter resolved and gratefully submit His Motion for extension.
