Ms. Allen,

Thank you for returning my call with instructions on requesting a continuance in the above referenced appeal. As stated in my voicemail to you, the above referenced matter is scheduled for oral arguments on Wednesday, December 10, 2014. Jason Imhoff, Appellants' counsel, has a family emergency and requests that the oral arguments be continued. I spoke with Brooke, paralegal with Robert Lyles, who informed me that Mr. Lyles is out of the office. Mr. Lyles and Brooke are both copied on this email.

Also, I am attaching our Motion for Continuance and the original will be put in the mail along with our \$25.00 filing fee. Please let me know if you need anything further to complete this request.

Thank you for your assistance in this matter.

Robert,

I just spoke with Ms. Allen at the Court of Appeals. The court has agreed to continue the oral arguments to a later day and Ms. Allen will notify us when the decision is made.

We appreciate your understanding.

Thank you,
