Re: State v. Patrick McAllister, Appellate Case No. 2013-002169

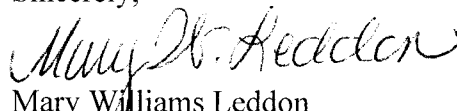

Dear Ms. Kitchings:

The above-referenced case is currently pending before the court. Pursuant to Rule 208(b)(7), SCACR, I would refer to the following as additional authority:

State v. Bailey Taylor, Op. No. 5285 (S.C. Ct. App. filed December 23, 2014) (Davis Adv. Sh. No. 51 at 46) (dismissal not required where video recording briefly omits the accused but the omission does not occur during any of those events creating direct evidence of a DUI or serving important rights of the defendant.)

This case was recently decided and therefore not available at the time of briefing.

Sincerely,

  
Mary Williams Leddon  
Assistant Attorney General
