Comes now, the Appellant, Alexander Pastene, and respectfully supplements yesterday's Return to Defendant's Motion to Correct Appellants' Deficiencies in his Record on Appeal, which he was compelled to produce in holographic form at the USPS counter before 5pm, insomuch that his ten (10) day deadline ended on yesterday's date (12-30-14), as follows:

The Appellant has already been ordered by the S.C. Court of Appeals to comply with three (3) deficiencies, which he complied as follows:

(d) Title Page, (which by error had been included in the Appellant's Record on Appeal);

(g) Certificate of Counsel stating that Appellant's R.O.A. contains no additional material than Designation of matter, and Appellant's Certificate of Service (Proof of Service to Defendants.

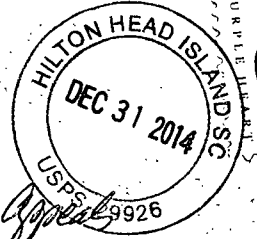

As regards #3., in Defendants' Motion to Correct Deficiencies, the Appellant noticed that the error is not on R. pp.67-69, as stated by Attorney Finger, but on R. p.66, that preceded them. The Appellant is making correction by replacing R. pp. 65-66 for corrected page 65-66.

Respectfully submitted,

Signed:  ALEXANDER PASTENE
