Clerk of the South Carolina Supreme Court

Re: Robert Hooker, Petitioner v. State, Respondent
Appellate Case No. 2014-001163

Dear Mr. Shearouse:

I am writing to inform you that the State inadvertently overlooked the Appendix before filing its Motion to Supplement Appendix. Petitioner did, in fact, include the Order of Dismissal from the PCR case. However, the State's Return was not included in the Appendix. I am requesting that the State's Motion to Supplement Appendix be changed as to include a request that Petitioner supplement the Appendix with the Record on Appeal and the State's Return. Thank you for your understanding.

Sincerely,

J. Rutledge Johnson
Assistant Attorney General
