Appellate Case Number 2013-001527

Dear Chief Justice Toal:

I'm very concerned that my case has not been decided yet. I submitted my pro se brief on April 4th, 2014. I know there are many cases awaiting the Court's consideration, but please review my case soon. I'm not suppose to be locked up. And my family desperately needs me home. When will this miscarriage of justice be exposed?

Sincerely,
