The South Carolina Court of Appeals

D & B Partnership, LLC, Appellant,

v.

Shangrila Affiliates, LLC, Respondent.

Appellate Case No. 2014-002202

ORDER

Appellant appealed an order of the circuit court remanding this case to the magistrate court. At this Court's request, Appellant and Respondent submitted appealability memoranda.

After careful consideration, this Court dismisses the appeal as not immediately appealable because the circuit court's order does not constitute a final judgment. *See* S.C. Code Ann. § 14-3-330(1), (2)(a) (1976) (providing this court has appellate jurisdiction to review final judgments and interlocutory orders (1) involving the merits or (2) affecting a substantial right when the order "in effect determines the action and prevents a judgment from which an appeal might be taken or discontinues the action").
