

The South Carolina Court of Appeals

Lashay Lloyd, Appellant,

v.

Northbridge Court, Respondent.

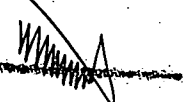

Appellate Case No. 2014-001494

ORDER

This appeal was filed on July 10, 2014. This Court dismissed the appeal on September 2, 2014, due to Appellant's failure to provide proof of ordering the transcript and her failure to serve and file her initial brief and designation of matter. Appellant filed a motion to reinstate, which this Court construed as a petition for rehearing. This Court gave Appellant ten days to provide proof the transcript has been ordered or to serve and file her initial brief. Appellant subsequently filed several documents with this Court, and after careful consideration, we hereby grant the petition to reinstate. Within thirty days, Appellant shall update this Court on the status of the transcript order. Within thirty days of receiving the transcript, Appellant shall serve and file her initial brief and designation of matter.¹
