RE: Derrick A. Young, (#273562), Appellant  
as Pro se litigant v. South Carolina  
Department of Corrections, Respondent,  
Case No. 13-ALJ-04-0809-AP

Dear Mr. Richstad:

Enclosed for filing is a notice of appeal in the above referenced case. Also enclosed are the following:

1. Proof of service of the notice of appeal on the respondent and the Administrative Law Court.
2. A motion for leave to proceed in forma pauperis and affidavit therefor.

At this very moment the law library staff here within the institution have failed to return the copies of the order from the Administrative Law Court, the respondent's final decision and the respondent's initial decision, which the Appellant sent out to be made in order to provide the reviewing court, the respondent and administrative law court with copies. Whereas the appellant is currently in segregation he has limited ability to retain this paper work at the moment. And for the appellant to wait for the return of the decision(s), order(s), judgement(s) to be appealed would force the appellant outside of the time limits to submit the notice of appeal in the above referenced case. Therefore the appellant will send the decision(s), order(s), or judgements to be appealed immediately upon receipt from the law library staff. Your time is greatly appreciated.
