April,

I came by Courtroom #8 at 12:30pm today but Judge Stilwell was still in session in a busy courtroom. I left the check in an envelope addressed to you with the bailiff sitting by the door at the back of the courtroom. He said he knew you and would give it to you during the next break. Can you confirm for me that you received the check so I can let Desiree Allen know?  
You can then call her and she will be ready to grant the extension. Thanks again for your gracious cooperation. Take care.

Constantine,

Thank you for letting me know about the extension. I have been awaiting a response from Desiree on that. Yes, your secretary can deliver it to the courthouse on Monday. I am in courtroom 8 working with Judge Stilwell. We will be starting at 9:30 Monday morning. Yes, a check from your firm is fine. I'm sorry too for all the confusion. I will try my best to have it to you as soon as I can.

Thanks.

April,

After sending the below email, I called Court Administration and spoke with Desiree Allen. She said she also spoke with you. She said they don't consider a request made until the court reporter's fee has been paid. Of course, since I did not get your October 31 letter until this Tuesday, I did not know what amount to send you. Desiree said she cannot grant an extension until you have been paid. I stand ready to pay you the \$827.50 you quoted. In light of the difficulties we have had with the US Mail, I would rather get a check to you in hand. Can I have my secretary deliver it to you at the courthouse on Monday or could you possibly pick it up from my office? Please let me know your preference for the most expeditious way to get you the check. Also, I can understand you not wanting a personal check from my client, but will you accept one of my law office checks or must the payment be certified funds or money order? Please let me know. Thanks and sorry for the confusion.

April,

The Court of Appeals is really pushing for an extension. I am fine with whatever time you need and Court Administration will grant.

Have you happened to obtain one from Court Administration as of yet? If so, I need a copy to send to the Court of Appeals. If not, please do so before the day is out since it is such a critical matter. Please let me know where you stand with the extension.

Thanks for your prompt attention to this.

April,

Thanks for your quick reply. I didn't think you'd ignore me and now I understand why there was confusion. For some odd reason I never got your 10/31 letter. If I had, I certainly would not have gone through so much time and trouble going back and forth with the Court of Appeals about the transcript or putting you through any concerns. I am relieved now that we are on track. As long as the Court is content, I don't mind you taking the time you need to get the transcript out. I would greatly appreciate your contacting the Court of Appeals and Court Administration tomorrow to obtain a formal extension for whatever time you need. They have been very nice and accommodating with this appeal. Please let me know what they will do about the extension request. As soon as I have word that they have granted the extension, I will mail you a check for your fee. Thank you very much for your understanding and cooperation in this important matter. Best wishes.

your letter on October 31, 2014 regarding payment and procedure of receiving the transcript. Until I received your email, I have not received anything from you. So, I assumed you no longer needed the transcript. I am so sorry for all this confusion but I honestly had no idea that the request was even pending. Attached is the letter that I sent October 31, 2014. You also referenced a copy of your letter of December 22, 2014, to the Clerk of Court being available for pick-up at my P.O. Box since December 23, 2014. I picked up two weeks of mail last week from my P.O. Box after being on vacation for two weeks and I did not receive a letter from you or a copy of a letter from you to the Clerk of Court. Or a letter from you of any sort.

is of the up-most importance to you. I can't expedite the transcript at this time. I have 1300 pages pending and am in court every day. The best that I can do is have it to you within 30 days.

In this regard, please see attached my request letter of October 16, 2014, the letter of December 17, 2014, from the Clerk of the Court of Appeals, and my letter of December 22, 2014, to the Clerk of the Court of Appeals. Appeals to obtain the transcript and if I cannot show them some progress in this regard, they have indicated they will dismiss the appeal. This would have serious repercussions and simply cannot happen. It can all be prevented and we can get on track if you would be so kind as to please grant me the courtesy of a response.
