RE: Status of Appeal filed on <sup>S.C. SUPREME COURT</sup> NOV, 24  
2014, Appeal from Saluda County Court  
of Common Pleas Case No: (2011-CP-41-0085)  
William P. Keesley Judge.

Dear MR. Shearouse:

I'm requesting the status of  
my appeal, that I filed a Notice of an appeal  
on NOV, 24, 2014. The final order of Dismissal  
was filed on Oct, 28, 2014. I HAVEN'T Heard from  
an attorney NOR the Courts concerning my appeal.  
Ms. Mary P. Miles was retained to handle  
the PCR, which I never got a hearing on this  
Case (2011-CP-41-0085) I ask Her to  
do the appeal, and that I want my case  
appealed. She assured me that the case  
would be expensive, by me not having the funds  
for Her to do the appeal, she say that she  
would file a Notice of an appeal and hopefully  
the Court will appoint Counsel to do the  
appeal. As I mention she was retained to  
do the (PCR) which I never gotten the

hearing at all. I can't afford an appeal now, I'm still paying for the (PCR). My REASON for appealing because I have evidence which my (PCR) attorney Mrs. Miles have, evidence that may exonerate me if we was allowed a hearing an for the application to be amended. I was informed that this court contacted Mrs. Miles by letter dated Dec 11, 2014 about the nature of the case an is awaiting on a response from Mrs. Miles concerning the appeal. Mrs. Miles knows my wishes I want this case appealed. "I want my case appealed." will you so kindly let me know the status of my appeal an who will be handling the appeal. I contacted the appellant Defense an they do not have anything on record that this court appointed appellant Defense Counsel to handle the appeal. They told me that my attorney Mrs. Miles is still on

The case and that she can not be relieved unless this Court Relieve her. My question to you if that's the case then who will be handling the appeal if she's not relieved by the Court. MR. Shearouse I'm Thanking you for your time and assistance I'm also sending Mrs. Miles a copy of my letter to you.

Thank you

Very Truly Yours

RE: Status of appeal (2011-CP-41-0085)

Dear Mrs. Miles

I wrote the supreme court asking about the status of my appeal because I haven't heard from an attorney yet. I called the court they say that the court sent you a letter dated, 11, 2014 of Dec about the status of the appeal and was waiting on your response. As you see in my letter to the courts. I want my case appealed. Because we are still paying you for the (PCR) which I never even had a hearing on the evidence that was obtained after trial and after the first (PCR) application. I feel though we have a right to appeal this case and a right to have a hearing on this evidence, which it need to be allowed to be amended.

Very Truly yours,
