Re: Patrick L. Richburg, Appellant v. South Carolina Farm Bureau Mutual Insurance
Company, Respondent
Appellate Case No. 2014-002597

Dear Ms. Kitchings,

I am writing this letter to request an extension in the above case. In order to properly prepare for the case I need to request a transcript. However, in November Mr. Steve Murdaugh requested to look at my file and I agreed with Mr. Hank Burriss' consent. I have attempted to contact Mr. Murdaugh numerous times beginning on the 3rd of December 2014. Mr. Burriss has also tried to contact him in order to get my file back so that I can take this to the legal council of my choice and order the transcript. I did finally receive confirmation from Mr. Murdaugh on December 29, 2014 that he was making arrangements to have the file delivered to Mr. Burriss' office that week. As of today Mr. Burriss confirmed he has not received it. I am enclosing a money order for \$25 with this letter for consideration in this matter. This is not meant in any way to reflect poorly upon anyone it is just to let you know that I have not had access to the necessary records in order to request the transcript and go forward with a fair trial. Thank you for your consideration in this matter.

Very Truly Yours,

Patrick L. Richburg, Jr.
