**SC Court of Appeals**

Appellant William Rogers moves pursuant to 240 and 263(b), SCACR, for an extension of time in which to file his Initial Brief and Designation of Matter for the Record on Appeal in this matter currently pending before the Court. This motion is made on the following grounds:

1. Appellant's Initial Brief and Designation of Matter for the Record on Appeal was originally due on or about December 6, 2014.
2. Appellant filed a Motion for Extension of Time in which to file the brief and designation, and the Court granted the motion, making the brief due on January 7, 2015.
3. Due to continuing calendar constraints, appellant's attorney is in need of additional time in which to finalize and file the brief and designation in this matter.
4. In addition, the parties are working to reach a settlement of the issues.
5. Therefore, appellant believes that an additional thirty-day extension of time is warranted and certifies that the requested extension is not interposed to delay the case.

WHEREFORE, appellant prays for an Order extending the time for filing his Initial Brief of Respondent and Designation of Matter for the Record on Appeal in this matter for an additional thirty days.

Respectfully submitted,
