SC Court of Appeals

Jenny Kitchings

I have an idea. Why don't you guys allow me to have a counsel, who would actually work for, and come by to talk with me.

I'll bet that no one in that busy office even thought of that.

Why would I represent myself?
? New counsel please.

SC Court of Appeals

Sincerely,

Michael B. Love

P.S. I like your name, it's different. And different is good.
