RE: Status of appeal filed on NOV, 24, 2014. Appealed
from Saluda County Court of Common Pleas Case No:
(2011-CP-41-0085) Honorable William P. Keesley Judge

S.C. SUPREME COURT

Dear MR Shearouse:

I'm requesting the status of my appeal which was filed on NOV, 24, 2014. The final order of Dismissal was filed on Oct, 28, 2014. I haven't heard from an attorney nor the courts concerning this appeal. Ms. Mary P. Miles was retained to handle the PCR, which I never had a hearing on this case (2011-CP-41-0085) I ask my attorney to do the appeal on that I wanted if appealed she assured me that the case would be expensive. By me not having the funds for her to do the appeal she said that she would file a notice of appeal and hopefully the court will appoint counsel to do the appeal. She was retained to do the (P.C.R) which I never gotten a hearing on this evidence that was discovered after trial and my first (P.C.R) this evidence was discovered after the (P.C.R) judgment. As I mention I never got a hearing on this matter, I'm still paying for the P.C.R that a hearing was never had. My reason for appealing we have evidence that may exonerate me if a new trial was had, if we were allowed a hearing on this evidence to be amended to the original (P.C.R) application under S.C.R. Rule 15. I was informed that this court contacted Ms. Miles by letter dated, Dec, 11, 2014 about the nature of the appeal and is waiting on her response concerning the appeal. Mrs. Miles knows my wishes, I want this case appealed. MR. Shearouse will you be so kindly and let me know the status of my appeal and if so who will be handling the appeal. I am the appellant defense and they do not have

anything on record that this Court appointed an appellant
counsel to handle the appeal. They informed me that
ms. miles is still the attorney on ^{my} this appeal unless the
Court relieves her. my question to you is if she's not relieved
and i can't afford to pay her for the appeal then who will
do the appeal for me. MR. Shearouse I thank you for your
time and assistance, I'm sending Mrs. miles a copy of
letter to the Court.

Thank you,

RE: Status of appeal (2011-CP-41-0085)

Dear Mrs. Miles,

I contacted the Supreme Court requesting the status of my appeal because I haven't heard from an attorney yet. I called the court they say that you was sent a letter dated, Dec. 11, 2014 about the nature of the appeal and was a waiting on your response, As you see in my letter to the court that I request that my case be appealed. I'm still paying you for a (PCR) which I never even had a hearing on the evidence that was discovered after trial and my first (P.C.R.). I feel though we have a right to appeal this case and a right to have a hearing on this evidence and allowed it to be amended to the original application under Rule 15.

Very Truly Yours
