Dear Mr. Shearouse

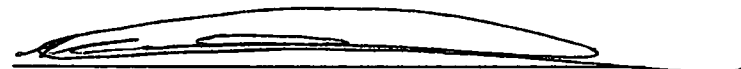

Sir, I'AM writing you in reference to the above listed matter that was denied in your court Deecember 18th, 2014. My reason for writing was I submitted a Notice of Appeal in your Court that I now to the acknowledgement of The U.S. Supreme Court is not a prerequisite In The United States Supreme Court. I need to ask you will you please forward me a stamped in copy, as well a copy of the Reply Brief I filed in your court replying to the respondents State Attorney Response. Please Bail Reply Please. Sir...

Inconclusion Sir could you provide me with the South Carolina Rules that govern the tolling of PCR when I am pending Writ of Certiorari In The U.S. Supreme Court which tolls 90 days from the denial of the states highest court. I need to know Sir please the time will toll to have my 1st PCR in and filed in Circuit Court being Petition for Writ Certiorari will be being Intial Briefed at which interim the 1 year statute limitations will lapse before briefing or decision may be rendered In The U.S. Supreme Court.

my concerns are when does tolling actual start. When one petition  
The U.S. Supreme Court for further review as such in this case.  
Does tolling extend for 1st PCR, pending outcome of U.S. Supreme  
Court Writ of Certiorari, or does 1 year mean 1 year regardless  
of further review.

Thank You In Advance

Sincerely,

Akeem Alim-Nafis Abdullah-Malik  
Petitioner, Pro-Se
