Appellate Case No. 2014-001323

Dear Counsel:

Upon reviewing your respondent's designation of matter filed January 23, 2015, the following deficiencies have been noted under the South Carolina Appellate Court Rules (SCACR), and must be corrected within ten (10) days of the date of this letter or your amended designation may not be considered:

- The title does not indicate that this is an amended designation of matter.
- A proof of service has not been provided. You must serve and file a proof of service substantially in the format shown by Form 7 in Appendix C to part II of the SCACR.
- The Court has not received a motion from you requesting permission to serve and file an amended designation of matter.

Very truly yours,

V. Claire Allen, Deputy
