v.

v.

Nationwide Property & Casualty Insurance
Company; and Tonya D. Parks, Third-Party Defendants, Respondents.

MOTION TO AMEND THE RECORD ON APPEAL

Appellant, by and through her undersigned attorney, respectfully moves this Court for an Order permitting the removal of an audio recording in the Record on Appeal and substituting a transcribed version of the same in its place. Appellant requested the consent with Respondents' counsel, but the parties were unable to reach an agreement on this matter. Notwithstanding Respondents' unwillingness to consent, Appellant believes Respondents will suffer no prejudice from the amendment to the Record on Appeal requested herein.

In further support of this motion, Appellant respectfully submits the following:

The audio recording at issue is a condensed version of a telephone conversation that Respondents produced to Appellant in response to Appellant's Request for Production.¹ The condensed version of the recording was presented to the trial court as "Exhibit B" to *Grier's Reply to Third Party Defendants' Memorandum in Opposition to Grier's Motion to Amend*,² which was filed with the trial court on December 6, 2012. The recording was submitted to the trial court on a compact disc in the .wav file format. Appellant included the same recording in the Record on Appeal by affixing a compact disc containing the same to Page 738 in each bound copy of the Record on Appeal filed with the Court on September 29, 2014.

Appellant was then informed by the Court's record keeping division that the CD containing the audio recording could not be included in the Record in that form due to issues regarding the .wav file format, which is not compatible with the Court's procedure for archiving official appellate records. The Clerk of Court's office suggested that the issue could be resolved by having the audio recording transcribed, removing the CDs in each copy of the Record on Appeal, and inserting a copy of the transcription in place of the CDs. The transcription would be affixed to the original page 738 and would contain the same page number.

On January 27, 2015, Appellant's undersigned counsel sent a copy of both the audio recording³ and the transcription of the same to Respondents' counsel and requested their consent for the proposed substitution. A copy of Appellant's letter containing this

1 The original, unedited version of the recording produced to Appellant was labeled with Bates No. NW 0132.

2 This memorandum is included in the Record on Appeal, beginning at page 216.

3 For purposes of this request, the audio recording was transmitted to Respondents by e-mail only.

request and the accompanying transcription proposed as a substitute for the CDs included in the Record on Appeal is attached hereto as Exhibit A. Respondents' counsel refused to consent to the proposed plan, insisting instead that the issue could be resolved with a request that the CD of the recording that was submitted to the trial court be retrieved from the trial court's file and delivered to the Court pursuant to SCACR Rule 210(f).

Appellant is informed and believes, however, that replacing the CDs containing the recording with the transcribed version of the same, as set forth herein, is a preferable method for ensuring that the substantive content of the audio recording at issue is properly presented to the Court for consideration. Due to that the trial court's file contains the recording in the same .wav file format as the CDs submitted on Page 738 of the Record on Appeal, the trial court's copy would be met with the same formatting and compatibility issues. Additionally, the audio recording would not be archived and preserved with the Court's official records. As the content of the audio recording is critical to the Appellant's position in this appeal, Appellant would be prejudiced by the exclusion of the same.

Accordingly, Appellant respectfully requests that the Court allow Appellant to physically remove the CDs containing the audio recording on page 738 of each copy of the Record on Appeal filed with the Court and permit substitution of the attached transcription as page 738.

WHEREFORE, Appellant seeks an Order of the Court granting the relief set forth herein and any other relief the Court deems just and proper to facilitate the progression of this Appeal.

Chartreuse Grier, Appellant v. Nationwide Property and Casualty Insurance Company and Tonya D. Parks, Respondents,

Appellate Case No.: 2013-002403

Dear Counsel:

This letter is to request your approval to permit our office to substitute a transcription of an audio recording that was originally submitted in the Record on Appeal in the form of a compact disc. To clarify, the CD, which was inserted into page 738 in the Record on Appeal we previously submitted to the Court in the above-captioned matter, contained an audio recording of a March 11, 2011 telephone conversation between representatives from GMAC and Nationwide. Per this agreement, our office will remove the CD from each copy of the bound Record on Appeal, and it will be replaced with a transcription of the same. A copy of the proposed transcription is attached hereto for your review. We hope that this will alleviate the need to publish a supplement to the Record on Appeal and re-publish the final briefs with updated citations to the Record.

If you are amenable to this substitution, we ask that you please acknowledge the same by signing in the spaces provided below and returning the letter with your original signature to our office. We will then file the signed letter with the Court along with a request for approval to proceed with the plan set forth above. It is our understanding that if the parties are in agreement about this matter, the Court will accept your written approval in lieu of a formal motion. Once the Court confirms its approval of this substitution, someone from our office will arrange a visit to the Court to remove the CDs and insert the transcription on top of the existing page 738 in each of the Court's bound copies.

We hope that we are able to resolve this as expeditiously as possible so that our case can move forward for consideration. If you have any questions or concerns, please do not hesitate to contact our office. Otherwise, I look forward to your returning this letter with your signature.

With kind regards,

MOON LAW FIRM

I, the undersigned counsel for Respondents Nationwide Property and Casualty Insurance Company and Tonya D. Parks, agree to the substitution to the Record on Appeal set forth above.
