RE: Julie R. Jackson, individually and as Personal Representative of the Estate of Salvatore Joseph Jackson v. John Doe
C.A. No.: 2012-CP-46-3907
Our File No.: 7746.1906

Dear Shirley:

As you know, I represent the defendant in the above-referenced case, in which you have already provided the transcript of the trial. Although the case has settled, the settlement must be court-approved, and the hearing has been scheduled for February 17th. Since today is the day by which I must order the remainder of the transcript (which would only be the hearing on defendant's motion for judgment n.o.v.), I am, in an abundance of caution, requesting same.

Again, the remainder of the transcript will almost certainly not be necessary ultimately, but I am constrained to request it because the settlement will not be consummated until at least February 17th, and I am constrained by the rules to make this request.

Of course, we will pay your invoice promptly after receipt.

Sincerely yours,

William P. Davis
