RE: Russell Jackson v. State; App. Case No.: 2014-001651
Docket No.: 2012-CP-02-0321

S.C. SUPREME COURT

Dear Ms. Sigwald:

In August 2014, I contacted Cheri Young and yourself regarding the transcript in the above referenced case. I received a response from Cheri, and I received the transcript from her in December. Upon review and in preparation of the Petition for Writ of Certiorari, I discovered that she only transcribed the afternoon portion. I contacted her and she informed me that you were present for the morning portion and would have the first portion of the transcript. Therefore, I am writing you again to request the transcript from the Post Conviction Relief hearing held in Aiken County in front of the Honorable R. Ferrell Cothran, Jr., on July 11, 2013.

Please prepare the transcript in accordance with the format requirements as set forth in the Court Reporter Manual. Please note that amended Rule 227(e)(3), SCACR, now requires as detailed an index for PCR hearings as for trial transcripts. Please include all exhibits in the index.

Upon receipt of your statement for this transcript, I will remit payment. Please contact me if any additional information is needed. Thank you for your assistance with this matter.

Yours truly,

Tricia A. Blanchette
