Derrick Antron Young, (#273562)  
P.O. Box 2951202  
Bennettsville, S.C. 29512

Appellant, Prose

While the appellant is currently incarcerated in the South Carolina Department of Corrections (SCDC) and presently in segregation at the time the appellant can not meet the demands of the South Carolina Appellate Court Rules (SCACR) time for filing and demand for required copies to be served on all parties and appellate court within the time limits prescribed within the SCACR, for the appellant may have to manually reproduce copies for all parties and appellate court, of documents filed in the above case.

The appellant hereby moves this honorable court for an extension of time to file appellant's initial brief. The appellant specifically requests a 90 day extension of this time to file his initial brief. This would allow the appellant ample time to secure an efficient means to duplicate copies required to be filed and served on all parties and appellate court, demands of time for filing documents and adequate research to properly prepare for this pending proceeding. The extension shall run from the time this foregoing motion is ruled upon.
