Re: Dewey Lee Small v. Maxine Johnson
Appellate Case No. 2014-002593

Dear Counsel:

We have received your motion requesting an extension of time for serving and filing the appellants' initial brief and designation of matter. Please be advised that the due date for the brief and designation are calculated from the date of receipt of the last transcript ordered in this matter. Since the transcripts have not yet been received, your extension request is premature and will not be considered by the Court at this time. Please see Rules 207, 208, and 209 of the South Carolina Appellate Court Rules for guidance. Kindly advise this office when the last transcript is received.

Your filing fee will be refunded.

Very truly yours,

V. Claire Allen, Deputy
