RE: The State, Respondent v. Tracy Wheeler Stubblefield, Appellant, and AAAA Bail Bonds
And Crum and Forster Indemnity Company Sureties for the Defendant also Appellant
Appellate Case No. 2015-000051

Dear Ms. Kitchings:

Please accept this letter as a response to your letter dated January 26, 2015, regarding the transcript in the above-referenced matter. This appeal involves an Order Estreating a Bond where the judge heard counsel arguments. We do not believe we need to reference a transcript as our brief includes the bond and some relevant case law. There was no witness testimony taken.

We have filed an extension request seeking an additional 30 days to file our brief. Since we did not believe we needed a transcript in this matter, we have calculated out filing deadlines from the date we filed the Notice of Appeal. Thank you in advance for your assistance in this matter.

Sincerely,

Lewis F. Gossett
Attorney for Appellants
